

Change Page Order

If the page is out of order, there are two ways you can reorder the pages.

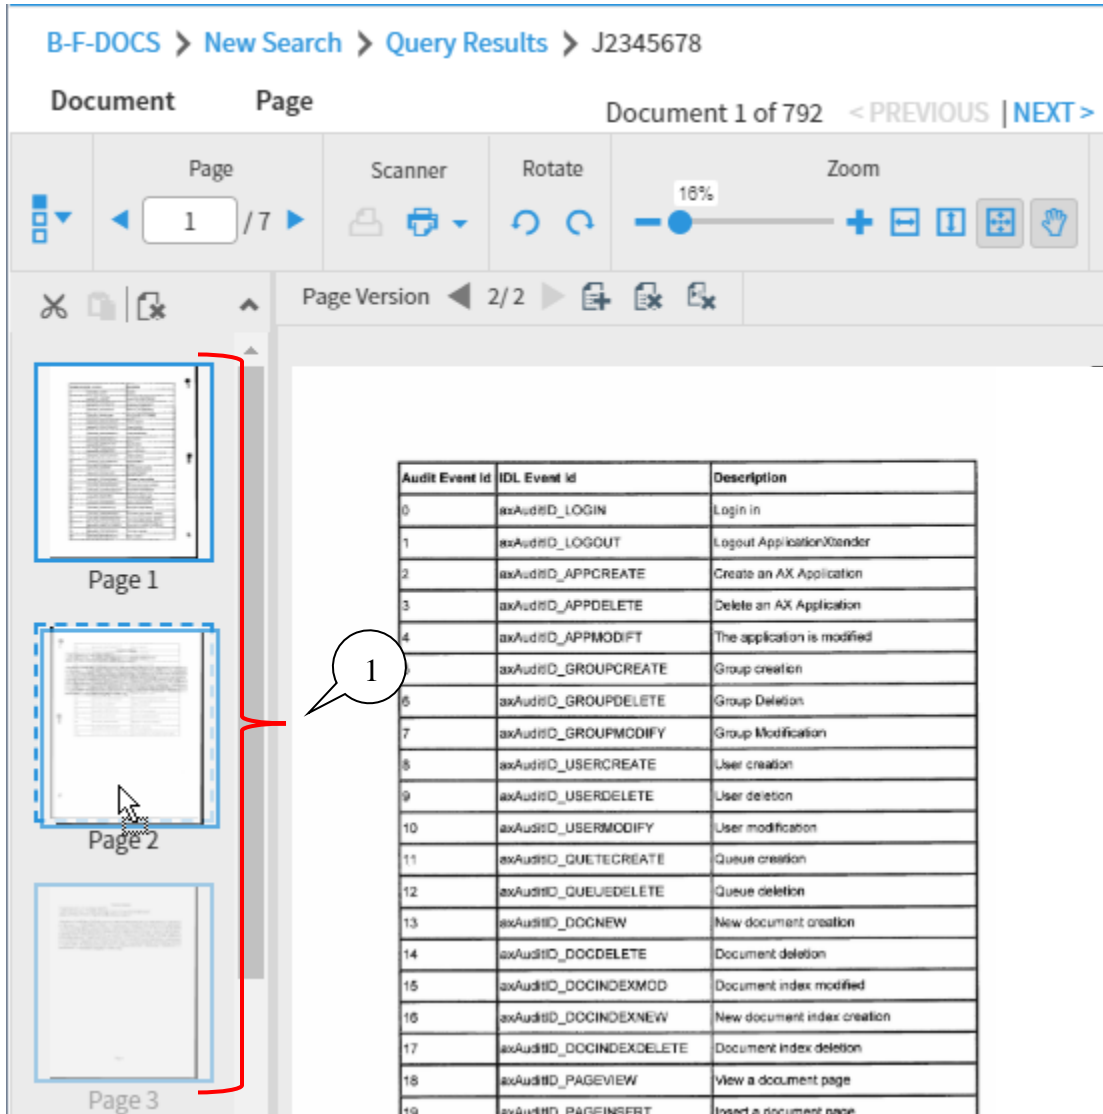

Reorder

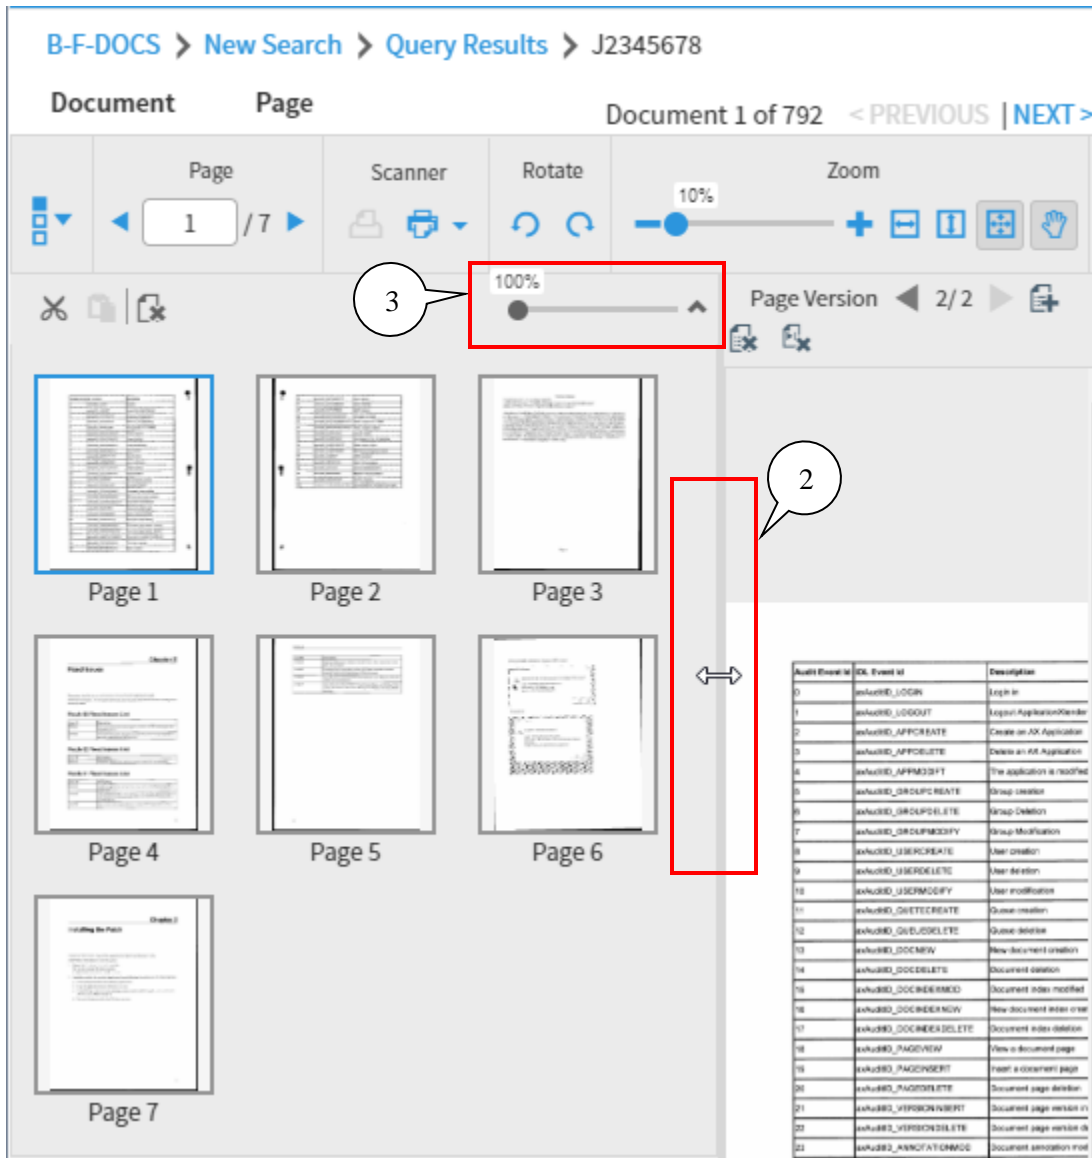

1. Click the **Page** tab.
2. Select **Reorder Page**.
3. Select one of the following:
 - **Move to First**
 - **Move Up**
 - **Move Down**
 - **Move to Last**

Thumbnails

Caution: If you have a large document, thumbnails will take a long time to load.

1. Click the page you want to move. Drag it to the desired position in the thumbnails.

- 2. You can extend the thumbnail display by pulling the window to the right.
- 3. You can increase the thumbnail size with the zoom bar on the thumbnail window.
